

Supporters of Heritage College

To facilitate increasing enrolment projections over the next few years, God willing, Heritage College has revised its Master Plan to include necessary building projects. Funding contributions and donations assist the completion of these projects in the required timeframe, supporting the learning development of both current and future students.

We appeal to our generous community for contributions to the Heritage College Building Fund.

Some of the exciting projects planned:

New Junior Primary Wing
Home Ec. redevelopment
New science labs
Courtyard auditorium and recreation area
New verandahs

Receiving a **tax refund** this year? Considered donating some to support our building projects?

REMINDER that all donations **made prior to 30 June 2018** to the Building Fund will be claimable as a **tax deduction in this year's income tax return**.

EFT donations to...

Heritage Building Fund
BSB: 035 050 A/c: 123068

Credit card and cheque donations also welcome

Each contribution makes a difference, however large or small!
