### PURCHASING UNIFORMS

The College operates a uniform shop staffed by volunteers to assist parents with uniform purchases. The shop stocks new uniform items and carries a range of second-hand items at very reasonable prices.

Items marked with an asterisk (*) in the requirements are to be purchased through the College uniform shop. Other items (eg socks, shirts) may be purchased at other retail outlets, but they are also available at the uniform shop.

The uniform shop is open each week at the following times: Monday: 3.00pm – 3.45pm and Friday: 8.30am – 9.30am. Parents who are unable to attend at those times may order by phone and pay by credit card at the time of order.
UNIFORM EXPECTATIONS

Students attending the College are expected to wear the full uniform at all times and do so appropriately and with pride. Students act as ambassadors for the College and for the Christadelphian community both inside and outside the College. Heritage College strongly supports the appropriate wearing of a uniform because:

- It encourages identification with our College and the development of school spirit which is helpful for an effective learning community
- It reinforces the concept of team and community – of students, staff and parents working together for the benefit of all
- It removes distractions and competition about clothes, which can be stressful to students
- It provides an economical means of clothing students during school years
- It makes a statement that our College community cares about standards; that an attitude of "anything goes" is not good enough
- It reflects the reality of the workplace, where business and industry expect that corporate uniforms will be worn neatly
- It covers basic health and safety requirements for schools and workplaces
- It provides easy identification on excursions and outings, enhancing the safety of students
